## What's "White Coffee?"

Being a waiter in a Jewish restau-  
rant where there weren't many folks  
who couldn't understand his native  
tongue, the man got along all right  
until he struck a party of two who  
were just investigating. By dint of  
pointing to things and taking chances  
the pair made a meal of it until they  
came to the coffee.

They didn't want small cups. When  
they pointed out coffee on the bill of  
fare they indicated with their hands  
large cups. But here the waiter was  
equipped with English, and he was  
bound to show it.

"Oh, yes, 'white coffee,'" he re-  
marked.

Which was the descriptive phrase  
for coffee with cream.

## Might Be Good Scheme.

Dryden married Lady Elizabeth How-  
ard, a shrew of marked ability. She  
complained that he showed her no at-  
tention, and wished herself a book  
that he might enjoy more of her soci-  
ety. "Wish yourself an almanac, my  
dear; then I could change you every  
year."
